# The Mid-Month UPDATE

December 2024

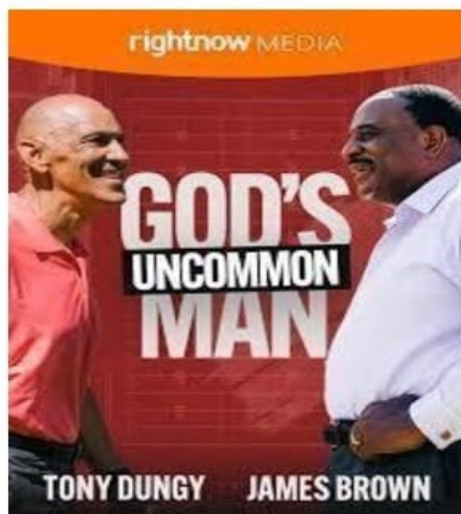

HOLMES BAPTIST ASSOCIATION

Encourage - Equip - Engage

In October, each of our pastors were gifted a free six-month subscription to the on-line resource Right Now Media. To help better understand this exciting tool for ministry and how the church can use this for Disciple building, ministry training and spiritual growth, we will host a special training and introduction event. We will host a **Right Now Media Workshop on Saturday, January 11th, 10:00 am at the Association Office.** This event is for all pastors, ministry leaders and members of our churches.

This Workshop will be led by Pastor Jeff Amerson of Gully Springs Baptist Church. He will share how Gully Springs has used this tool effectively in their disciple building ministry and have begun using it during their Sunday Morning Bible Study schedule. This resource is also currently being used by Leonia Baptist Church and West Pittman Baptist Church. Please join us for this informative workshop for a hands-on demonstration and discussion of this unique ministry tool.

To help our churches equip themselves for ministry, Brother Randy will be leading a **MONTHLY MEN'S BIBLE STUDY** beginning in January. Using Right Now Media, we will look at what it looks like to be a man of faith. In this three-session series, sportscaster James Brown and former NFL coach Tony Dungy will teach us what it means to be an **UNCOMMON MAN**—a man who follows God faithfully.

This study will help the church by raising up men of faith that will be better equipped to live "set apart" as a man who follows God faithfully in all aspects of life; family, work and the church. This free Bible Study will be on the **THIRD MONDAY of each month at 6:30 pm** and is open to all men of our associational churches. It will take place at the association office in Bonifay. If your church is trying to start a men's ministry, this is an excellent opportunity to lay the foundation for such a ministry.
